SCA Course Presenter
COMMENDATION FOR BRAVE CONDUCT
The Governor General of Australia
22 March 2023

We are excited to be able to offer the 2nd SCA Graduate Booster Course for secondary students (age 16+) which will be held at the Bangkok Prep Primary Campus on June 10th and 11th.

There will be only 14 places offered!

The course will be instructed by Mr. Matthew Ferrier, who recently was awarded Australia's Commendation for Brave Conduct from the Governor General, and he implements his own experiences as youth learning lifesaving into real time applications.

We are very proud of this course and the value that it will provide you.

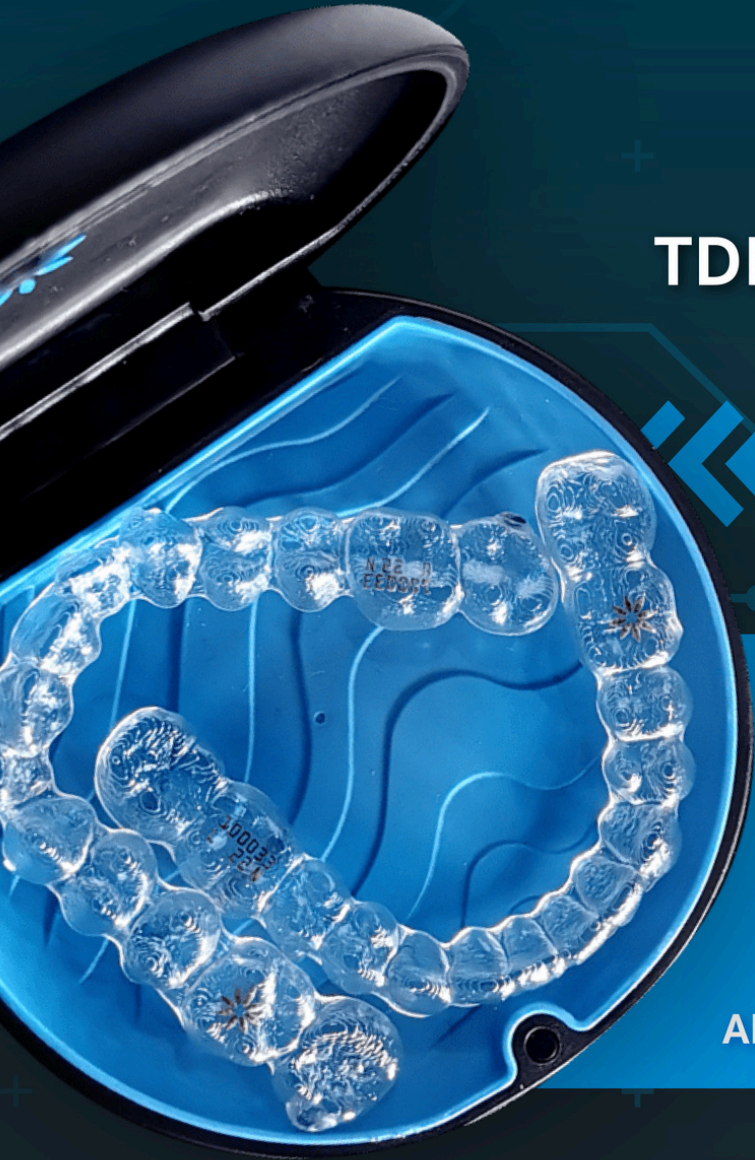

Not only will you learn valuable skills to help you in any future career, but you'll also gain the confidence and knowledge to handle real-life emergencies. Enroll now and give yourself the edge you need to succeed in the next chapter of your life.

Scan QR code to register your interest or contact me should you have any questions. Further details will be sent to you accordingly.

Registration closes on 31st May 2023.

FAQs

1) What is "Road to Startup" Bootcamp

Road to Startup Bootcamp is a fun two-day program where students will get to know more about startups, experience what Hackathon competitions are like, meet new friends from other schools, a chance to tour the BAScii faculty, and the chance to talk to BAScii faculty members and 4th year students. The Bootcamp is 3,000 baht only and includes food, water, souvenirs, etc. On the day, the bootcamp will be run by 5 BAScii seniors who were trained by Reactor School.

2) Who is Reactor School?

Reactor School is a startup from Singapore which provides Entrepreneurship-Education to students. Their aim is to help students fulfill their dreams of becoming entrepreneurs and help turn their ideas into companies.

3) Who can join?

Since the program was designed especially for high school students, we advise that you should be in Years 11-13 (Grade 10-12).
