Route Map

Please note:

- At this time of the morning many of the shopping areas are not open and the area will be quieter than normal.
- The shuttle bus service with the Bus monitors on our school mini vans is for primary student where parents will not accompany their child on the bus.
- Bus Monitors are not provided on the big buses. We have Sky Train Monitors at On Nut BTS at key locations to help direct students and assist with the shuttle bus service management.
- When students arrive at the pickup point they must see the Bus Monitor who will ask them to wait in order.
- As soon as a bus arrives the bus will be loaded in order of arrival.
- Student safety is important and therefore all students must wear the seatbelts provided at all times when using the shuttle bus service.
- Once students are on the bus there is no other stop until the bus is inside the T77 complex. The school bus will stop only at school and the T77 bus might stop briefly at Habito for any other passengers to depart if needed.
- Direct supervision of students is not provided until students arrive at school. Parents must decide if their own child is mature enough to use the service unaccompanied.
- The School Shuttle Bus Service is deemed as an extension of the school day and as such the expected standard of behaviour must be adhered to at all times whilst using the shuttle service. Any issues will be reported to Senior Academic staff and may result in withdrawal from the service if necessary.
- There is no reservation/booking required to use this shuttle bus service.
