FRIDAY NEWS FROM BANGKOK PREP: ISSUE 4 Friday 1st May

We would like to thank all parents and students for their perseverance in these difficult times. Our teachers are doing everything they can to provide the best levels of education for your children under the circumstances, and your support makes this possible.

We hope you find some helpful information in this Friday News from Bangkok Prep Issue 3.

How long will school be closed?

The orders under the current Emergency Decree will see the school remain closed until at least **Thursday 30th April 2020**. The ability of schools to reopen thereafter will depend on the control of the spread of the virus in Thailand.

At present, the MOE has said that private schools and Thai schools can open on Wednesday 1st July. However, the Ministry of Education (MOE) and BMA will assess the health situation in Bangkok and Thailand on **Friday 15th May** and we will update the Bangkok Prep community accordingly. We can not wait to have the children back in school but we will only do so when permitted by the Ministry of Education and when we are sure it is safe.

RoyRak

Close to our Bangkok Prep community is a campaign to try and keep RoyRak a non-profit jewellery making social enterprise, stay afloat during the period of social distancing and be able to pay their employees.

Second Chance Fundraising

Our KS1 Leader Ms Ellie Godwin is fundraising for Second Chance Bangkok to help their community survive in this difficult time. "Whilst we are all so lucky during this time, please take time to think about those who are not quite as fortunate as we are".

BKK Pay Forward

Bangkok Prep are proud to support a project that aims to prevent restaurants from laying off staff whilst simultaneously providing free food to low income communities impacted by the Covid-19 pandemic.

- Check out projects on [Taejai.com](https://www.taejai.com): They are crowdfunding a lot of projects such as fundraising money to buy medical equipment for hospitals, supporting households with elders who are the most vulnerable in this crisis, or buying masks for marginalized children.
- [Covid Relief Bangkok group on Facebook](#) are packing COVID relief packs for low-income communities all over Bangkok. They accept donations as well as goods.
