Subject: Traffic Routes & Designated Car Park Areas for Bangkok Prep Community

Dear Bangkok Prep Parents and Carers,

As you may already know, starting from August 2023, our Primary and Secondary schools will merge and operate as one school on the T77 community site located on Sukhumvit 77 Road, alley 1/1.

To ensure a smooth commute for you and your child(ren), and to address any concerns regarding traffic congestion and parking, we would like to recommend traffic routes, directions, and designated parking areas for your convenience.

Therefore, we invite you to utilise the following car parking spaces for each Year Group as listed below (please refer to the attached **directional map**):

Nursery and Reception (EYFS):

Please enter the T77 community via Gate 1 or 2, and proceed to Gate B1 of the Primary School Campus for drop-off or pick-up. To exit, please use Gate B4.

Please note that underground parking is available at Block F for EYFS parents and guardians only.

To access the underground car park, you will need an Early-Years-Parking-Only permit, which can be requested from the Primary Admissions Office by emailing info@bkkprep.ac.th. Additionally, please be aware that the underground car park has a height clearance of 2.10 meters.

Year 1 - Year 6:

Please use the back road behind the school campus, located below the expressway. Enter the T77 community through Gate 3 and proceed to Gate B1 of the Primary School Campus for drop-off or pick-up. To exit, please use Gate B4. If you wish to park, please utilise the nearby Bangkok Prep Tennis Academy car park.

Year 7 - Year 9:

Enter the T77 community via Gate 1 or 2, and proceed to Gate A1 or A2 of the Secondary School Campus for drop-off or pick-up. To exit, please proceed around the back of the campus and exit using Gate B4. Please note that within the secondary campus, there will be a one-way traffic flow during the following hours: Morning: 7:00 am – 8:15 am Afternoon: 2:30 pm – 4:45 pm

Year 10 - Year 13:

Please use the back road below the expressway behind the school campus. An area underneath the expressway has been designated as a safe drop-off, pick-up, and parking zone to manage the high volume of traffic. Enter through Gate D1 and exit through Gate D2. Students will then walk through a foot gate C right behind Block A to enter school at the main entrance.

Families with children in multiple year groups can choose the most convenient entrance/exit from the options mentioned above.

Additionally, you may consider dropping off or picking up your children at the nearby Lotus On-Nut shopping mall. They offer free parking for up to 3 hours without the need for parking validation. Shuttle bus services are available between the mall and the school campus from 6:30 am to 8:00 am and from 1:30 pm to 6:00 pm.

Parents who wish to walk between both campuses can pass through the security-guarded "Pitch Gate" during the following hours: Morning: 7:15 am – 8:00 am Afternoon: 3:20 pm – 4:45 pm

We kindly request that you utilise the designated routes to ensure quick access to the campus for the entire community. We will continue to monitor and make adjustments as necessary to optimise the drop-off and pick-up process.

As with all schools in Bangkok, during the first few weeks of the new school year, there will be a considerable amount of traffic congestion in and around the school campus. Please kindly bear with us as traffic conditions will significantly improve once the Extra-curricular activities commence.

If you have any questions, please do not hesitate to contact us at info@bkkprep.ac.th

Thank you for your attention.

Best wishes,
