School Transport **Rules, Regulations & Information**

Bangkok Prep School Transport Service enables students to get to and from home and school safely and securely. Our aim is to ensure that the safety of the students and the efficient running of the service are given the highest priority. The following Rules and Regulations are outlined to ensure that all parents/guardians and students are aware of their own roles and responsibilities when using the Transport service. Please share and discuss these with your child/ren.

Contact and emergency numbers are clearly listed at the end. Please make sure that you have these numbers available for easy access when required. Any concerns or comments that you may have will be dealt with quickly and efficiently. Please do not hesitate to get in touch if we can be of any assistance.

School Buses & Safety:

- The School buses are outsourced.
- All buses are fitted with seat belts and are regularly serviced and maintained.
- Regular bus and other necessary documentation checks are also carried out.
- All Bus Drivers and Monitors have had a Police Clearance to enable them to work for our school.
- Bus Drivers and Monitors are provided with training in basic First Aid, Child Safeguarding, School Travel Manager, emergency procedures and the schools expectations.
- All students **must** wear seat belts for the full duration of the journey.
- Students must not put themselves or other passengers in any unnecessary danger and must listen to the Bus Monitor and/or Driver at all times.

Pick up and drop off:

- The pick up times vary from 6.15 - 7.15am dependant on distance and routing. Most routes take between 15 mins to 1 hour to reach school and/or home.
- All students should be ready and on time for the given pick up time. If a student is not at the bus pick up point at the scheduled time or does not arrive within **three minutes** of the bus pick up time it will be assumed the service is not needed that day and the bus will depart. No phone call or warning will be given. Note: This 3 minutes cannot be used daily, parents will be contacted if this occurs regularly. If a student misses the bus, parents/guardians will be responsible for getting their child/ren to school.
- The school bus will not allow students to travel on a bus if they are not on the bus register.

Pick up and drop off (cont)

- Student must go to the school bus directly after school. Buses will depart from School as soon as all users have arrived or a maximum of 15 minutes from the end of the school day:
Primary 2:45 PM , 3:45 PM (ECA)
Secondary 3:35 PM , 4:35 PM (ECA)
- If a student is late and misses the afternoon bus, parents will be responsible for arranging private transport home. Parents will receive a message via the parent App if your child does not board their scheduled bus.
- A Primary student's parent/guardian must meet the bus on arrival. Primary students will be handed over to a parent/guardian, Secondary students will be permitted to enter the house /compound/ apartment on their own (unless specifically requested otherwise).
- If no one is home to meet a student, the student will return to school with the bus and parents/guardians will be required to collect them from school.
- Changes/cancellations can only be received from parents/guardians or Year 12 & 13 students. Students in Year 11 and below cannot make any changes without parental permission.

Expectations & Student Conduct

- The School Transport Service is seen as an extension of the school day and therefore the expected behaviour of all users is the same as is expected during the school day.
- Students must respect and listen to the Bus Driver and Monitor and be considerate of other bus users to ensure a pleasant journey for all passengers.
- Seatbelts **must** be worn at all times when a student is on the bus.
- Eating and drinking is not permitted whilst on the school bus.
- If a student's behaviour on the school bus gives cause for concern, we reserve the right to suspend the service for a period of time and ask parents to make alternative transport arrangements. Academic staff will respond to any disciplinary concerns reported by a Bus Monitor, other students, parents or teachers. If it is felt that the behaviour warrants it, immediate suspension may occur.
- If disciplinary action results in a student being temporarily or permanently suspended from using the school transport service, there will be no refund of transport fees.
- If a student causes any damage to the bus or its property, accidentally or deliberately, the student's parent/guardian will be required to compensate the bus owner for the cost of the repair.

Please ensure you check the Activities Management module on Firefly and/or the ECA email prior to ECA's commencing. Please note that any changes to your child's ECA programme after the start date of the ECA, must be directed to the ECA/Transport staff so necessary changes can be made.
